Education

2022 PhD in Linguistics
University of California, Santa Barbara &
Max Planck Institute for Evolutionary Anthropology, Leipzig
Dissertation: *Confronting challenges in historical linguistics: Quantitative approaches to dialect area subgrouping and tone change in Mixtec* | Committee Chair: Eric W. Campbell (UCSB)

2015 MA in Linguistics (with a minor in Comparative Indo-European Linguistics)
Universität Zürich
Thesis: *Voice and Person Marking - A Typological Study* | Advisor: Balthasar Bickel

2013 BA in General Linguistics and Comparative Indo-European Linguistics
Universität Zürich

Academic appointments

08/2023– Postdoctoral researcher; Department of Linguistics, University of Bern (Switzerland)
Project: *Uncovering the dynamics of person marking: A construction-based approach in historical microtypology* (SNSF), PI: Linda Konnerth

10/2022–07/2023 Postdoctoral researcher; Department of Linguistic and Cultural Evolution, Max Planck Institute for Evolutionary Anthropology, Leipzig (Germany)

2019–2022 Doctoral researcher; Department of Linguistic and Cultural Evolution, Max Planck Institute for Evolutionary Anthropology, Leipzig (Germany)

2017–2019 Teaching assistant; Department of Linguistics, University of California Santa Barbara

2018 Research assistant; English Department, University of California Santa Barbara
Project: *WhatEvery1Says - The Humanities in Public Discourse* (Mellon Foundation), PIs: Alan Liu (UCSB), Jeremy Douglass (UCSB), Scott Kleinman (CSUN), Lindsay Thomas (U Miami)

2014–2015 Research assistant; Department of Comparative Lingusitics, University of Zurich
Project: *Hierarchical structure in noun phrases and compounds*, PIs: Balthasar Bickel, Paul Widmer

2016 Research assistant; Department of Comparative Lingusitics, University of Zurich
Project: *Acquisition processes in maximally diverse languages: Min(d)ing the ambient language* (ERC), PI: Sabine Stoll

2012-2014 Research assistant; Department of Comparative Lingusitics, University of Zurich
Project: *Towards a corpus-based analysis of clause linkage*, PIs: Taras Zakharko, Balthasar Bickel

2011-2012 Research assistant; Department of Indo-European Studies, University of Zurich
Project: *Verbal nouns in Celtic and Indoiranian*, PIs: Karin Stüber, Thomas Zehnder

Grants & Awards

2027–2028 https://www.firebirdresearchgrants.org/Firebird Foundation for Anthropological Research – Research Grant in the Documentation of Oral Literature and Traditional Ecological Knowledge, (USD 9,964). Project: *Documentation of the Oral Literature of the Cuicatec of Santos Reyes Pápalo*

2026 Initiator Grant for the elaboration of an ERC proposal, University of Bern (CHF 29,970)

2024-2025 COMET program (coaching, mentoring, and training), University of Bern (CHF 3,500)

2024 Promotion fund for early career researchers, University of Bern – Grant for workshop organization (CHF 5,000): *Linguistic data and language comparison in light of the 'quantitative turn' and 'big data'*

2024 Swiss Society for Endangered Languages – Small grant for documenting the Cuicatec of Santos Reyes Pápalo (CHF 1,500)

2023 Best postdoc paper, 1st place – 56th Annual Meeting of the Societas Linguistica Europaea – National and Kapodistrian University of Athens

2019–2022 Endangered Languages Documentation Programme – Small Grant (GBP 10,000)
Project: *Documenting Tù'un Na Ñuu Sá Matxí (San Martín Duraznos Mixtec)*

2018 Chafe-Mithun Fund for Research on Understudied Languages (USD 2,000)
Project: *Contributing to the creation of teaching materials, a talking dictionary, and a sketch grammar of San Martín Duraznos Mixtec*

2016 UCSB Department of Linguistics Fellowship (1 year, USD 22,000)
